FACTS FOR LADIES.

READ THE FOLLOWING TESTIMONIAL.

A. SUMNER, Esq.:
Dear Sir:—I have used your Wheeler & Wilson Sewing Machine in my family for sixteen years with perfect satisfaction. During that time the entire expense, with the exception of oil and needles, will not amount to five dollars. My entire family are so proficient in its use, that my youngest daughter, only eleven years of age, is as expert as her mother. It is their universal voice, to sell the piano, but keep the sewing machine.

DR. JOHN BULL'S
GREAT REMEDIES.

DR. JOHN BULL,
MANUFACTURER AND VENDOR OF THE

Celebrated

SMITH'S TONIC SYRUP.

FOR THE CURE OF
AGUE AND FEVER,

OR CHILLS AND FEVER.

THE proprietor of this celebrated medicine
justly claims for it a superiority over all
remedies ever offered to the public for the
safe, certain, speedy and permanent cure of
Ague and Fever, or Chills and Fever, whether
of short or long standing. He refers to the
entire Western and Southern country to bear
him testimony to the truth of the assertion,
that in no case whatever will it fail to cure, if
the directions are strictly followed and carried
out. In a great many cases, a single dose has
been sufficient for a cure, and whole families
have been cured by a single bottle, with a per-
fect restoration of the general health. It is, as
before, prudent, and in every case more cer-
tain to cure, if its use is continued in smaller
doses for a week or two after the disease has
been checked, more especially in difficult and
long standing cases. Truly, this medicine
will not require any aid to keep the bowels in
good order; should the patient, however, re-
quire a cathartic medicine after having taken
three or four doses of the Tonic, a single dose
of Bull's Vegetable Family Pills will be sub-
sistent.

BULL'S
WORM DESTROYER.

To my United States and World-Wide
Readers.

I HAVE received many testimonials from
professional and medical men, as my almanac
and various publications have shown, all of
which are genuine. The following, from a
highly educated and popular physician in Vir-
ginia, is certainly one of the most com-
munications I have ever received. Dr. Clement
knows exactly what he speaks of, and his
testimony deserves to be written in letters of
gold. Hear what the Doctor says of Bull's
Worm Destroyer:

VILLANOW, WALKER COUNTY, GA.,
June 29, 1866.

Dr. John Bull—Dear Sir:—I have recently
given your Worm Destroyer several trials, and
find it wonderfully efficacious. It was pre-
sented to me in a single instance to have the
worms driven out. I am doing a pretty large
practice, and have used your medicine in
many cases. I am free to confess that I know
of no remedy recommended by the ablest
physicians, that so certainly and so speedily
drives out the worms. I am by no means
an extreme, but I think your medicine is
truly a great discovery. I have used it in
many cases, and have found it to be a
sure cure for all cases of worms. I have
used it in many cases, and have found it to
be a sure cure for all cases of worms. I
have used it in many cases, and have found
it to be a sure cure for all cases of worms.
I am, Sir, most respectfully,
Yours, very truly,
JULIUS F. CLEMENT, M. D.

BULL'S
SARSAPARILLA.

A Good Reason for the Captain's Faith.

Read the Captain's Letter, and the Letter
from his Mother.

BENJAMIN BARACKS, Mo., April 30, 1868.

Dr. John Bull—Dear Sir:—Knowing the
efficacy of your Sarsaparilla, and the healing
and beneficial qualities it possesses, I send you
the following statement of my case, and of the
cure effected by your medicine.

I was wounded about two years ago, was
taken prisoner, and confined for sixteen months.
Being moved so often, my wounds have not
healed yet. I have not out of a moment since
I was wounded. I am shot through the hip.
My general health is impaired, and I need
something to assist nature. I have more faith
in your Sarsaparilla than in anything else. I
wish that it is genuine. Please express me
half a dozen bottles, and oblige.

Capt. C. P. JOHNSON.

P. S.—The following was written in April,
1865, by Mrs. Jennie Johnson, mother of Capt.
Johnson:

Dr. John Bull—Dear Sir:—My husband,
Dr. C. P. Johnson, was a skillful surgeon and
physician in Central New York, where he
died, leaving the above C. P. Johnson to me.
At thirteen years of age, he had a
chronic diarrhoea and scrofula, for which I
gave him Sarsaparilla. It cured him. I have
for ten years recommended it to many in New
York, Ohio, and Iowa, for scrofula, fever sores,
and general debility. Perfect success has at-
tended it. The cure effected in some cases of
scrofula and fever sores were almost miraculous.
I am very anxious for my son to again have
recourse to your Sarsaparilla. He is fearful
of getting a spurious article, hence his writing
to you for it. His wounds were terrible, but I
believe he will recover.
